

Extra Income

SUCCESSFUL REAL ELEMENT USED

Checklist of Important Practical
Success Element of Creating Extra
Income

BY JOSEPH LOI

Hello there friends !

I am Joseph Loi, a successful financial coach and technology entrepreneur. There is a reason you are **here**, it is not happen by chance! It is partly because you are looking for EXTRA income that truly works, to generate \$500, \$1,000, \$2,000, \$3,000, \$5,000, more.!

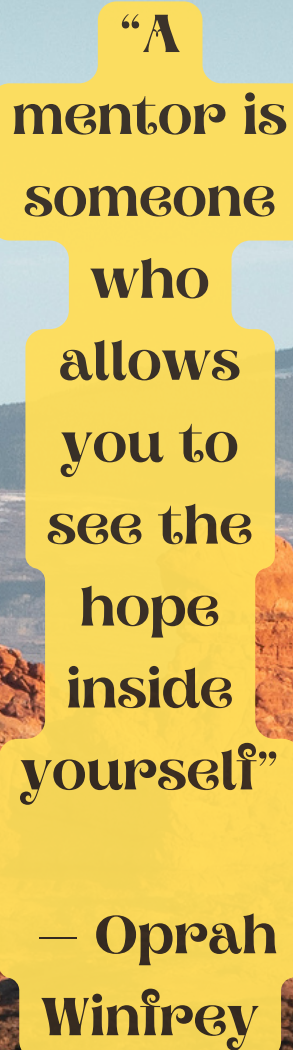

Important tip

This income element will provide continuous stream of income thru many years, even after you retire. So, it is an income that won't expire that you can continue to enjoy even though you are 80years old !

Yah! I am not going to lie to you, it will takes a one-time effort to kickstart the income engine with this template of success, you can hardly go wrong, Otherwise researching and finding one is of a great hassle. When you found one, it will be jewel for yours forever.

I know you can't wait to see the list below..

TIPS If you have difficulties in finding one platform, I already have a ready income platform that used by thousands including myself to generate income money to overcome inflation in this challenging economic environment.

**“A
mentor is
someone
who
allows
you to
see the
hope
inside
yourself”
— Oprah
Winfrey**

Have a patient couch to guide till you're successful

1. Before you start making income, it's important to take some time to understand your market potential.
2. Ask critical questions. What are they looking for? Which business platform should I be in? What are customer pain points?
3. Have a passionate [FREE-couch] to show you step by step to create your first extra income & pin point how to get unstuck, when you are stuck.

“YOU can contact myself a successfully financial entrepreneur with extensive proven sharing of ways to create extra income to benefit you and your love one into the future. Come let me share success with you. Converse with me.

**EXTRA INCOME
WAY SHARING**

Continue to give income even though you stop working

4. Your potential customers likely already know what they need, in order to resolve, and they just want to know a few key details before they make their purchase.

5. So, give them the information they need that impact their life without making them work for it.

6. The more they buy the more you are rewarded, as this is a lifelong resolving need based solution. ie. solving accumulating money, creating return potentially few times in a lifetime and live rich a fulfilling life.

**“The
difference
between
succeeding
and
failing
is
consistency”**

**– Don
Connelly**

Connelly**

Do One time work, reap unlimited period

7. Technology apps, website, social platform, automation are worth a thousand words, so they're a great way to supplement your income generation day and night!.
8. They can help manage potential customers a better way of what stage of sales and are they reaching financial destination.
9. Your income which is created under this technology platform is yours to KEEP for as long as you still live.

“

ALL you need is the plan, the roadmap, and the courage to press on to your destination

Earl Nightingale

Be sure there is plenty of potential market

10. If you're selling a financial solutions (intangible) vs physical product, make sure they are included in very large audience from multiple sources work of life age from age 18 and above, that is broad potential market.
11. You might also want to consider using lifestyle feature that show life extravaganza ie, so much richer in money at the age of 45, in a case financial solution in the broad public.
12. What are the advantages of using your product? How will it make your customers' lives better? If you can't answer that question, you need to take a step back and reassess your product.

“It is impossible to produce superior performance unless you do something different from the majority.”

----John Templeton

Liquidity of money from income and success references

13. It's also important to remember that you're not just making income but how fast you are able to access the money from your income.
14. You can be making RM 100,000, but you need to make sure that your income created are liquid, can be deposited in your savings account in a guaranteed way 1 to 2days. Nothing assure correct until cash seat in account.
15. If you want to enter into a potential business, it's important to use some sort of business success, client reference or income past logs (small or big amount it does not matter)
16. In financial solution such as money management, track record of portfolio returns, business income testimonials are a great way to build trust and credibility, if you want to start the business entrepreneurship.
17. Be sure the organization that you are engaging has sufficient paid capital. You can contact myself for more than 90billion market capitalization for CHOICE of business entrepreneurship that guarantee of returns.
